Grand Prix Of Qatar : Nothing beats being there!

ROUND 1 : 11 April 2010

**Pole Position Travel invites you to
Grand Prix Of Qatar 2010**

Qatar is turning into one of the most significant events on the MotoGP calendar. As the first race on the calendar this is the first opportunity to experience the new-season's 800cc in action and their pilots in full anger after the winter testing and hibernation. Qatar is the event where speculation meets the road. Qatar is the eye-opener.

And just to make it REALLY interesting, the race is at night. If you saw it on TV last year, you only got a glimpse of just how spectacular the event was. Seeing the lights reflect off the surfaces, and sometimes even a glimpse of a rider's face behind the untinted faceshield is unique to Losail! 2009 was of course the weirdest race in memory - the last event on the calendar that you would predict would be rained out! The circuit really pulled out all the stops to get the race moved to Monday - most of our customers stayed on!

We go 'way back in Qatar - eagerly jumping on it when it was first run in 2004. We probably sell more grandstand tickets than anyone outside of the Middle East, and we dominate the VIP Village. In fact, this year we expect to run our 'Pole Position Club' in a private VIP Village area, bringing in addition to 'normal' VIP benefits, our own touches such as our hosts/hostesses, contests, special gifts, special speakers from the paddock. The VIP Village itself features one of the most breathtaking service road tours in MotoGP putting you right on top of this unique circuit. And the VIP Village is the only place on the track where you can get a beer... The event is so sparsely attended that seeing riders, getting autographs and photos, and generally feeling like you are on the 'inside' is commonplace. This year we add a mid-range facility, the Losail Club, in a great viewing position with full catering and a chance to get indoors in case it does get too chilly! At half the price of VIP Village this make a good upgrade from the grandstands - strongly recommended if you are thinking of grandstands.

We have a great choice of package for all requests. If you want to go all-out, join us in our Deluxe package in what we consider the top 5* hotel in Doha, always the base for several of the factory MotoGP teams. This year we have introduced a new Classic package - in an excellent 4* hotel (with bar!) downtown. Qatar is not usually cheap; but this package with grandstands works out less expensive than many European counterparts (in just 3* hotels!)

Of course for all our packages, we take care of you from the moment you land if you wish, and we will have a team on hand to help with anything.

Our programme is packed, starting with an optional Friday Desert Safari which has become a tradition with us as we descend the 'hill of death' in our 4x4s, then whacking a few dunes on our Quads... Our opening party Friday sets the stage... Saturday we do a city tour taking in the camels, the shopping, and the architecture, and end up on a very chilled out Dhow cruise around the harbour. Its like a whole weekend before the weekend racing! Sunday we take over the local nightclub for a night cap; some paddock denizens always join us. And stick around Monday if you fancy a round of golf...

Thursday we have a happy hours for all those early arrivals; Friday we do our very popular optional 'desert safari' with quad-biking add-on. Friday night you have the option of attending our opening party with food & drink, or we will take you to the track. Saturday we do an optional city tour & Dhow cruise around the harbour and of course take you to the track and back. Sunday is a good time to get in that marvellous shopping, return to the souk, or just enjoy the hotel; and in the evening we take you up for the big race! Finally, join us for a closing drink or 3 after the night race Sunday!

Tickets Grand Prix Of Qatar 2010 1

Qatar Motorcycle Grand Prix Tickets

Catch the amazing MotoGP night race! The grandstands will thankfully be cooler, and sun will not be an issue. Except for the freak rain storm of 2009 you will be save and dry. The main, and only available grandstand is right on the main straight. The track itself is - of course - flat; with some unique features including MotoGP's only triple right, and the now-legendary 1.068km 330kph main straight! Tickets are for 1 or 3 days (and if you ever wanted to have a track to yourself, come up on Friday!). There is a large TV screen, and several food and drink concessions; although the merchandise selection has been light... (Get one of our unique caps and/or event shirts!) Owing to legal/customs issues, all tickets must be collected in Doha or we can deliver to your hotel.

Qatar MotoGP VIP Village

For the ultimate experience of MotoGP world wide, there is no substitute for the official VIP Village. And of the VIP Villages, Losail is outstanding. The place is so laid back with no crowds that riders seem to just hang out waiting for the paddock tours to go by. Pit lane walks mean you really get to see the backstage action, and the service road tours in a private a/c BMW mean you view this unique track right up close! There is a private grandstand on the back curves for VIPs (with TV view) and we expect (unfortunately like last year, due to the rain) to bring only our VIPs to the Main Grandstand to view the awesome start of this eye-opening race! As the largest operator to the event, this year we expect to dominate the VIP with our own private area (The Pole Position Club) with added-value benefits such as private welcome packs, contests and a guest speaker or two. As a night race, we of course include dinner. Oh yes -- this is the ONLY place at the circuit where you can get a beer!

Extras & Excursions Grand Prix Of Qatar 2010 1

1249 Qatar Desert Safari (Fri)

Friday we run our now-traditional Desert Safari. Many of the Qatari dunes will still remember us from last year! We board a fleet of modern desert camels (4x4 Landcruisers) where we are taken by professional drivers deep into the Qatari wastelands. The desert scenery, especially as we go along the coastlines, can be breathtaking -- if you can put your terror to one side! We split the group into 'cravens', 'adventurers' and 'berserkers' so you can go at your own pace! On the way we stop for a bash of our own on quad bikes or camels - depending on your speed... (Quads need to be pre-booked) A desert tea & kebab break with optional dune surfing mean you leave no experience untried. We depart directly from all our hotels in the morning, and we will get you back in time for our opening bash! Not to be missed - but go light on breakfast!

1750 Doha City Tour and Dhow Cruise (Sat)

Take advantage of the day and see one of the fastest growing cities in the world! Our city tour features a drive through the famous Corniche, a visit to the traditional Dhow builders, Falconry market, camel track and fish market. The highlight of Doha and not to be missed are the old Souks, where you can buy everything, especially handicrafts and gold. Learn how to shop "Arab style" -- half the fun in buying the great value goods is in the haggle! We take a traditional Arabic lunch, sampling the shisha water pipe and of course the delicious coffee (if you like strong coffee!). After lunch we head down to the harbour for a 'fish eye' view of the stunning skyline, boarding a traditional Dhow for a bay cruise. We get back well in time for a brief rest before you catch the shuttle to the circuit. (We provide the Dhow cruise as an optional extra since some people prefer to get back to hotel earlier. Be sure to select this option on the booking!)

1823 Qatar MotoGP Golf Experience (Mon)

Face it-- with the race ending Sunday at midnight, then we enjoy our post-race celebrations to 3am; you really didn't want to go anywhere on Monday! And to make it really easy to stay that day, we are organising the first (annual?) Qatar MotoGP golf tournament. The Doha Country club is stunning, we'll play the PGA championship course of 7355 yards with top facilities (and yes, you CAN get a beer there!). The 5-6 hours we will spend there will be a perfect opportunity for spouses and family to catch up on shopping or sun bathing! It's not too hot in April, so we don't need that 0700 tee-off you will be pleased to know... We get moving late morning, include a sumptuous lunch, and 18 holes of the desert classic, played in as many foursomes as we can manage - and certain to include some friends from the paddock. Final cost TBD, but if you are a golf fan, or even just a 19th hole person, this will be a great laugh!
