Grand Premio De España: *Nothing beats being there!*

POLEPOSITIONTRAVEL

Pole Position Travel invites you to  
**Gran Premio De España 2012**

As the opening European event of the MotoGP season, Jerez is always an exciting GP! Who can forget Rossi's pipping of Gibernau at the last turn in 2005, setting the tone for the entire year, or Rossi's dramatic fall at turn one lap one, setting his own pace for the 2006 season! Rossi's domination of the 2007 race lulled us into a false sense of security that Casey quickly shattered at the next race in Istanbul. Dani put himself in contention for the championship with a win here in 2008, but stalked by the master on his Yamaha, Valentino in 2009. 2010 raised the first real question marks about the Rossi/Ducati team. This is also the official MotoGP test circuit -- stick around Monday for one of the most important tests of the year. This race does for the season what the Declaration of Independence did for American politics!

Jerez is also one of the biggest events of the year, with crowds topping 200,000 for the weekend. And when you aren't at the GP, you really want to sample its famous local products and generally take in the always fine weather as a relief to winter blues!

Jerez circuit is a notorious traffic black hole. It is not easy to get there and back from the city of Jerez, and if you don't already have your accommodation, be warned that the city sells out of hotel rooms very quickly!

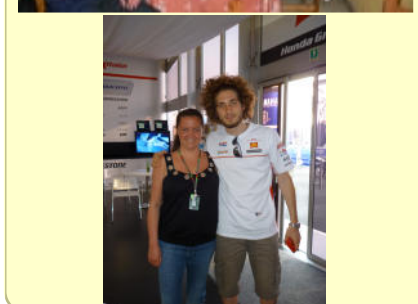

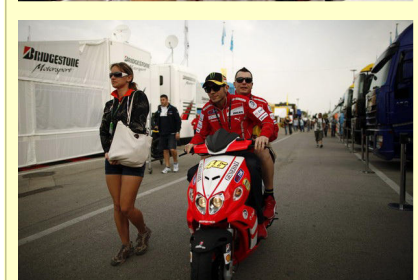

We are happy to sell you just tickets to the event, but if you want to relax and focus all your attention on appreciating the action and drinking the beer, put yourself in our experienced hands. As one of our bigger events, we have three packages on offer taking care of you for the entire weekend. We have a new **Budget package** based in the centre of Jerez offering 3 nights bed and breakfast; and of course our track transfers and expert Spanish speaking guide on hand. Our **'Superior' package** is based in a top 4\* hotel in Jerez, mostly booked out by teams; with 3 (or more) nights B&B, guide and transfers. Rating as one of our favourite hotels on the planet, our 5\* hotel in Jerez is our base for our exclusive **Deluxe package**; the package includes a Sunday evening vintage Sherry tasting and our VIP guide. Do this one with the superb **VIP Village** for the top experience.

The weekend opens with a party at a spectacular sherry bodega and features a special guest from the paddock. This is a great way to kick off the season! We of course take you there and back (included in all packages)

We have Spanish-speaking guides who are on hand for you 24 hours; and of course our collectable 'Jerez' branded merchandise, and our hand-selected grandstands all ensure you will have a weekend to remember!

Monday we do a unique VIP visit to the MotoGP test where you will get insider access to the pits and teams!

## Spanish Grand Prix VIP Village

For the ultimate experience of MotoGP world wide, there is no substitute for the official VIP Village. Jerez is a madhouse - the VIP Village is your oasis: situated right on top of the pit lane, with great views of the start grid. Jerez uniquely features an infield section with a private VIP grandstand as well. With pit lane walks, paddock tours, service road tours (on raffle basis), luxury catering, open bar, free programme, race reports, closed circuit TVs, superb viewing, access to most of the rest of the track, and perhaps best of all the camaraderie of fellow VIP moto fans; you'll understand why our customers say "once you've gone VIP there is no going back!" ## Jerez MotoGP Grandstand Tickets

We have selected our favourite viewing locations to allow you to catch the best action of the Jerez GP. The top ticket, A10 (formerly 'Especial'), is on the final corner, and the last chance for last minute overtaking (as Gibernau learned in 2005)! C2 is on the first turn, always an exciting spot at the start. X1 (pictured) on the penultimate turn is the most popular - it always sells out first and has great long views and electric atmosphere. An equally good choice is the nearby X0 which is a bit less frantic, and at least as good viewing - X1 seating is generally higher, X0 closer to the bikes. A good value option is R9 which is right on the 'Dry Sack' corner - the slowest corner of the circuit (these seats are un-numbered), and 'VIP' (not to be confused with VIP Village) is on the start grid - good for podium! All have TV views. We do sell general admission (pelouse) but we don't recommend it for this event. Go for R9 at 10 EUR more and get general admission plus a great corner grandstand seat. All tickets valid 3 days.
