

Round 3: 6 May 2012

Grand Premio De Portugal: Nothing beats being there!

## Pole Position Travel invites you to Grande Premio De Portugal 2012

Estoril used to be known as the 'sleeper' event of Europe. Well, in 2006 it woke up! Where to start with probably our favourite European destination? Great for families, too!

The 4.36 km circuit is one of the slowest overall yet has the fastest straight, second only to Mugello, topping a mind-blowing 340 kph (212 mph)! This final straight 'home run' comes out of the very fast final curve - always action here - and who will ever forget Tony Elias's brilliant slipstreaming of Rossi in 2006, trailing through this turn then slinging past him to win with just a couple of 1000ths of a second to spare! 2007 was no less thrilling with Rossi showing Casey just why he is still 'The Doctor'. In 2008 we saw rookie Jorge Lorenzo take his maiden MotoGP victory, and Dani getting past Rossi to really put the series into a 4-way battle. Jorge repeated his triumph in 2009, also the scene of Casey's 'comeback'. The 2009 250cc race saw a 'video' finish with Barbera and Di Meglio crossing the line in the same 1000th of a second!

Estoril has some of the least expensive tickets in MotoGP; however the facilities are a bit spartan and all seats unnumbered. However for a song you get one of the best all-around viewing experiences in Grandstand E in the back corners for a great view on the unique uphill chicane. For the top experience, we recommend the VIP Village with pit lane walks, paddock tours and top hospitality! Saturday night we offer our very exclusive 'MotoGP Night' - dinner in the hospitality unit as a guest of a MotoGP team, taking in the magic of the MotoGP paddock!

To really get a taste of the paddock, join us Thursday night for a unique evening in the paddock in our new 'MotoGP Insider's' night. Just in case you needed an excuse to come a day early to this brilliant spot!

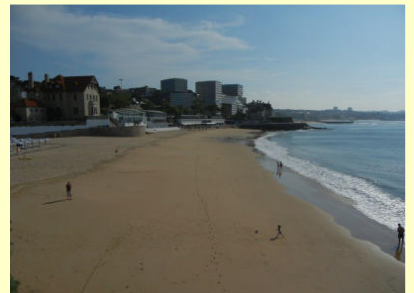

Now we turn to the destination. The Estoril coast is one of Europe's best kept secrets - long white beaches and the utterly charming fishing town of Cascais will mean you won't be in a hurry to leave! We love the place so much we can't pick just one hotel!

- Our Classic package is set in a very nice 3\* hotel right on the harbour with all amenities and very good value.
- Our Superior package is based in a unique turn of the century harbourside Villa with individually crafted rooms.
- For VIPs, our Deluxe package is in a sublime 5\* seaside hotel.

We kick off the weekend with a great opening party with special guest speakers from the paddock. We ensure you get to the track and back on Saturday and Sunday and if you really want some traditional Portuguese culture, Sunday night we organise an optional dinner at a traditional Portuguese restaurant, with local specialities, wine; then followed by a field trip to the local club where our customers and several riders met dawn... A perfect end to a perfect weekend!

If you want to stay around a few extra days, ask us for advice on several brilliant destinations in the Sierra de Sintra.

**Estoril MotoGP Deluxe Package**

Of all the MotoGP destinations, the one we would choose first to make an extended holiday would be Estoril. Part of this is owing to the superb 5\* Hotel Albatroz situated on a spectacular coastal bluff in the utterly charming village of Cascais - one of those places that is just difficult to leave. But if you can tear yourself away, after breakfast Saturday and Sunday we take you the short journey up to the track (Friday optionally) for more excitement. Friday evening we have an opening reception, and an optional Portugese winding-down dinner Sunday (followed by a visit to the local night club, where we and many riders were still seen at 5am... ) rounds off a perfect weekend. Our dedicated guide ensures the weekend goes smoothly, and all deluxe customers receive some very special merchandise to commemorate what is always a first-class weekend!

## MotoGP Portugal Grandstand Tickets

The Portugese MotoGP in Estoril is perhaps one of the best-kept secrets of the tournament. Of course, as the most exciting race of 2006, we think the secret may be out! 2007 was also the top event of the year... The circuit is both the fastest and slowest of the year, with the tortuous uphill chicane (sit in E) being the slowest point; the final sweeper (sit H) which slings racers into the final straight leads into the fastest. Sit in covered stand A (in photo, with B downtrack) for start/finish action. All stands have TV views, but unlike other circuits, there is no reserved seating. This is good and bad; as you can wander around a bit for different vantage points, however you need to get there early for the best position! Use Saturday to do your scouting (and if you are with our package we get you there before the action starts in the morning!) Seats are concrete - bring a cushion! Free tickets only with a package booking. Book as a package.

1233 **Sunday Portugese Evening**

Join us for our now-traditional 'winding down' evening in Cascais after the Sunday excitement. We enjoy a Portugese meal (opt for the seafood: it is caught today by the local fishermen) washed down with the local vintages. A great chance to review the weekend action and speculate on what's to come! Estoril always finishes at the local nightclub, where many riders and other denizens of the paddock usually wash up. Last year we wheeled the final customers out at 6am! Yes, we DO look after you!  
 Cost covers food and 'reasonable' table beer/wine (which for us is pretty prodigious!); and guide to the nightclub if you wish. Once inside you are on your own cost... :-)

You WILL meet them, as our private tour takes you to the track as a guest of a MotoGP team. You will have FULL MotoGP paddock access, be given a tour of the pit and can watch the proceedings from there; have full access to team hospitality, including drinks and light snacks. You will also eat lunch in the MotoGP paddock with the team. We will engaged a special who will join us for lunch to give us insights on what is happening at the tests and the MotoGP world in general. The tour includes our private expert guide on hand, and transport to and from the circuit as a group (we leave from our package hotels). We always end up back at one of our favourite locals for a wind-down pint or two... Bring your autograph pen!
