Round 5: 3 June 2012

Grand Premi De Catalunya: Nothing beats being there!

Pole Position Travel invites you to
Gran Premi De Catalunya 2012

There may be no guarantee of a 'perfect' MotoGP weekend, but if we were to rate the event with the highest probability of an exciting, stress-free weekend, Catalunya would top the list. And we are still shivering from the excitement of the 2009 racing...!

It really has it all: one of the top tracks in MotoGP with never a dull race; in Barcelona - a city that is 10 years ahead of any other city in Europe; super facilities, virtually guaranteed good weather, easy (and often cheap!) to get to and reasonable prices.

The circuit is brilliant for riders and spectators. No matter how familiar the riders are with the circuit itself, the track always throws up unique challenges to the teams and riders: a rough and bumpy surface, high tyre-wear and rapidly changing wind conditions which turn both the preparation and riding into a war of strategy and endurance. However the verdict is in: Rossi rates it among his favourites.

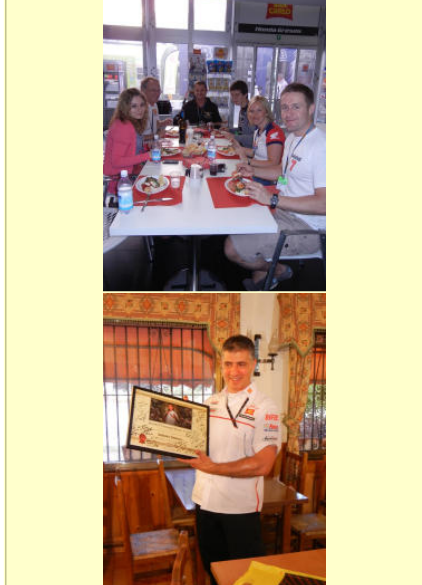

Witnessing the on-circuit duelling is great from most viewpoints, but our favourite spots are the north loop - B/G/C (all about the same) where riders like to show off after winning; and our current favourite spot is stand H with views to both the loop and the final corner. This has a particularly nice VIP Village as well - with great facilities and just over the start grid. In fact, in our view, this circuit has the best facilities overall of the tournament, and is a very well-organised event; having won the coveted IRTA 'best event' award 3 times (only Brno has matched this record). **This year we add a very special Pole Position Club hospitality suite, with paddock access on shared basis!**

Not that it needed any more cool points, but this is in Barcelona after all! If you have never been to this amazing city, then we urge you to cut the Friday practice sessions and join our private tour from a local guide (and moto enthusiast!). This is the city of Gaudi and dozens of other splendours. But it is also one of the most modern and stylish cities in the world.

In Barcelona all our packages are in the heart of the city; and all feature secure garage parking in case you are biking down for the weekend. We offer 2 packages: a 3/4* **City** and a top notch **Deluxe** in a 5* hotel you will not want to leave. All come with our usual shuttle service on Sat/Sun, guides (Spanish speaking some!), and our Catalunya merchandise.

We really roll out the carpet on this one, with an opening 'Tapas Night' at a famous tapas bar, followed by a big party in the evening! Saturday we have dinner with a star guest from our partner MotoGP Team Gresini. Sunday we close at the waterfront with a classic Barcelona restaurant near Las Ramblas.

Catalunya Grand Prix VIP Village

For the ultimate experience of MotoGP world wide, there is no substitute for the official VIP Village. Catalunya is one of the most popular circuits, and the VIP Village does it justice: situated right on top of the pit lane, with great views of the start grid, and a TV view from the balcony. There is a private VIP grandstand as well with views onto turns 1, 2, 5 & 6. With pit lane walks, paddock tours, service road tours (on raffle basis), luxury catering, open bar, free programme, race reports, closed circuit TVs, superb viewing, access to most of the rest of the track, and perhaps best of all the camaraderie of fellow VIP moto fans; you'll understand why our customers say "once you've gone VIP there is no going back!" Catalunya MotoGP Tickets

Catalunya justifiably deserves its reputation as the best run circuit in MotoGP. It has it all - a great track, superb facilities and possibly the best viewing experience of the season. All tickets give you 3 days general access to the circuit; and the venue has been designed for ease of movement with plentiful bridges and tunnels, and many superb vantage points. It is also about the best TV'd, it is hard to find a spot where you can NOT see a big screen! This really is a circuit that leaves you spoiled for choice: where to watch the race from? We can sell all stands, but we recommend a few: Main for start/finish and podium view (it is covered, can be a blessing in the Catalan sun!); F for the notorious turn 1, and A as they exit the turn with a critical acceleration point; however you see more action from C, G & B on the great north loop. H is possibly the best general view, looking up to the North loop and down to the final corner. 'I' is covered and on the corner. Finally infield M is both covered & a good base for further wandering. Radio broadcasts in English, Spanish, French. Free parking for cars and bikes. Kids age 5-14 half price.
