Pole Position Travel invites you to
USA Grand Prix 2012

More than any other event, for atmosphere, location and sheer excitement, Laguna Seca is the one that really sets our pulses racing! And in case anyone was under any illusion, the incredible Rossi/Stoner duel of 2008 had to be one of the best races in MotoGP history. Standing at the finish line in our Pole Position Club, seeing Casey and Vale going at it axle-to-axle; with our 50 VIP guests, narrating the action to our special guest American Baseball legend Reggie Jackson, made Laguna my personal top experience of that year! This is an event you **MUST** get to!

To help ensure you get the maximum opportunity to enjoy the most electrifying event of the year, we have implemented a simple philosophy: put together the kind of packages that we MotoGP-fans ourselves would like to experience. With **TWO** private track-side hospitality options: The **Pole Position Club** - superior catering and a stunning terrace right at pole position on the finish line • The **VIP Village Suite** - the top experience of the race in our private air conditioned room as part of the official VIP Village, including pit lane walks and paddock tours and spectacular views from the top of Turn 1. All get you general admission and paddock access, closed circuit TV, our hostesses to look after you and we can offer an optional Saturday **PARADE LAP!** We will drag a MotoGP personality or two past the Club for a special talk; and generally ensure you have your 'ear to the ground' for insights into the MotoGP world.

But it isn't all track-side! Sleep will be optional for those of you who really want to maximise the weekend: For those of you arriving early **Thursday** we support the Riders for Health programme getting you into the pits, meeting riders, **getting a lap on the track** and more! Pay the \$500 and join them for a day long private guided motorcycle ride through gorgeous Monterey Valley. Thursday evening is our traditional **Happy Hours**. Our **Friday** opening reception is a great drinks and meal session with a very special guest speaker, and video presentation. **Saturday** night we soak up the Laguna atmosphere, and Sunday concludes with a winding down meal in a local restaurant followed by a pub crawl designed to intercept MotoGP riders in a similar mission...

If you have deal with hotels, traffic, reservations etc in Monterey during the MotoGP you will really appreciate this statement: **Sit back and leave it all to us!** Our tour packages take care of you from the moment of arrival. With airport collection if needed; accommodation, breakfast, transfers, opening party, and all the optional activities on Sat and Sun nights. We offer two choices: our 'main' Superior package in a top 4* hotel frequented by many riders; or for the top experience of Laguna Seca, our Deluxe Package plants you on a top-rated 5* Hotel right on the water! All include our expert guides, transfers and the Friday reception with our unique merchandise. We deliberately keep package numbers low -- hey we like to have a good time here as well!

Finally we offer an incredible Riding Tour of the West, culminating in a visit to the GP! This is the ultimate way to experience the 'California Dream' MotoGP!

1748 Riders for Health Day of Stars Laguna

A great day out in support of the charity Riders for Health! On the Thursday before the USA GP at Laguna Seca Park MotoGP opens its doors so that fans of the sport can see behind the scenes. The event starts at 08:00 with breakfast at the track, then a scenic ride (bring your bike or we can rent one to you). Return to track at 13:00 to lunch with stars such as Wayne Rainey, Randy Mamola and others. Experience an exclusive behind the scenes MotoGP paddock and pit lane tour. Motorcycle parade laps of circuit, with a live auction beginning at 4pm. Includes motorcycle parking pass during the 2011 Red Bull US Grand Prix. Dinner is a great Mexican style buffet with unlimited beer, wine and soft drinks; and we will be welcoming some very special guests from the paddock who will share their experiences of motogp both formally an informally over beer... Laguna Seca Closing dinner (Sunday)

If we were to show you the photos from last year, we would have to make you sign a non-disclosure agreement... Our Sunday 'winding down' dinner at Laguna has become the event we really look forward to. We hit a great Monterey restaurant for food & drink; and after, for those up for it, we seek out a pub or two where riders are known to hang out. So far we have never failed to catch up with quite a few; over the years customers had chats with Toseland, Dovizioso, de Puniet, Melandri, the Espargaro brothers, Hayden and even a certain Mr Rossi graced a female customer with a kiss (just to name a few). Never any promises on this - we'll have a great time even if they don't come out to play - but you can be assured that without our help it will be much harder to get access! Price includes dinner, drinks (within reason!) transport FROM our hotels, and of course our guides throughout...
