Pole Position Travel invites you to **Malaysian Motorcycle Grand Prix**

Sepang has become one of our top events -- we have been bringing people here since 2006. With flights direct from UK (Air Asia) at just £400 return; and very inexpensive from Australia and other far East locations; a weekend at the Malaysian grand prix works out cheaper than many European events!

Sepang is a magic GP. A thoroughly modern track, the place looks like a set from Star Trek. The track has MotoGP's only back-to-back straight: hitting 185 mph on the back straight, around the tortuous tower hairpin then right back up to 185 on the front straight, only to go zooming back down to first gear on the turn 1 hairpin and the treacherous turn 2 chicane. Racing here is always exciting -- although the heat and humidity can make it a real challenge for the riders!

The central mall is magnificent -- like a little village in the middle of the track, and your tickets allow you to sit at virtually any vantage point. Definitely worth a wander. Friday access is free, and there is a pit lane walk for all ticket holders.

But if you want to do one race VIP, Sepang is the one to do. The VIP Facilities over the pit row are second to none in motogp, and blessedly fully air conditioned. The food and catering is of course top class (we LOVE Malaysian cuisine!), and it has the usual CCTV and a great rooftop terrace. What makes the Sepang VIP truly special however is that fact that it is so under-populated, instead of ordinary paddock tours, Dorna provides full paddock passes permitting you to go into the paddock and wander to your heart's content. **You will meet many riders.** We have our own staff on hand in the VIP Village and always bring up a rider or two to share some of their experiences.

Our packages of course take care of you for the entire weekend. You have a difficult choice ahead of you:
 * 3* Budget package near the airport and circuit
 * City Package in the heart of KL in 4*+ hotel
 * 5* Deluxe Package in a hotel used heavily by teams and riders.

Friday you can come with us to the track or take a tour of Kuala Lumpur (or simply hang out at the excellent spa! And don't forget this is a shoppers paradise!) Friday night get to know your fellow moto-heads at our 5* opening party with traditional Malaysian cuisine and a 'mystery' guest speaker from the paddock. In 2009 this was Rossi's crew chief, the iconic **Jeremy Burgess** (he then went on to win the world championship that weekend!); in 2010 we were honoured by the spellbinding **Lucio Cecchinello** (LCR chief). 2011 we rolled laughing to **Colin Edwards**.

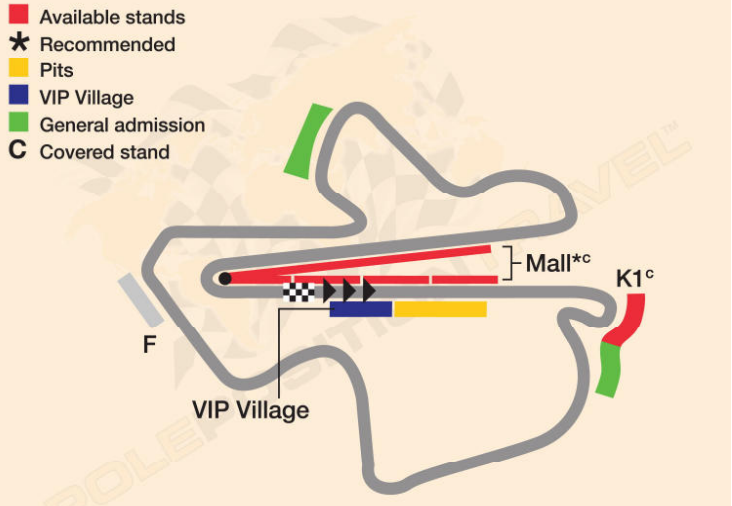

The night life in KL is awesome: the clubs are great fun, and Sunday night you can be sure to bump into a few riders blowing off some steam! We do an optional winding-down dinner in KL on Sunday and this often leads to a late night...

This is also an event to plan a holiday around. We can advise or add-on a trip before or after the GP to exotic locations such as beach heaven Langkawi, or the exciting Penang, or the inland Cameron Heights. **We now feature a very**

ClubGP Team Experience Non-European

Welcome to the Inside world of MotoGP! One of the top benefits for our loyal ClubGP members is the opportunity to spend a day or weekend in the paddock as a guest of one of our sponsored teams! Our expert guide will give you a private guided tour of the paddock. We will pay a visit to the pit of the team, where you will have a tour and can watch the action and introduce you to the rider(s) (circumstances permitting). One of the team members will make time to tell you about the team environment and answer your questions about what it takes to be in the MotoGP world championship. You will have the run of the entire paddock with your own paddock pass and will receive special team souvenirs to commemorate your visit. Your team may be in the Moto3, Moto2, or MotoGP championship. Children 10 and under free with adult.

Sepang Grand Prix VIP Village

We rate Sepang as the best VIP experience of the tournament. The Malaysian Grand Prix is one of the least well-attended; making the whole experience low key and stress-free. The VIP Village itself sits on top of the pits in a truly luxurious facility. You have access to the entire pit roof giving great views all along the main straight. Access to the paddock is by means of a pool of paddock passes you can check out; which in practice means you have plenty of opportunity to visit the paddock and spot your favourite riders. (The photo is one lucky customer who managed to bag a mere 13 motoGP riders on his 'Sepang 2006' shirt). The usual pit walks and VIP Village game are complemented by truly sumptuous food and drink. You really will feel privileged to be here! **FOR 2012: We have a PRIVATE suite with our own staff, guest speakers and more. Even more special. All tickets are for 2 days (Gold/Silver)**

Our Grandstand ticket gives you complete access to all grandstands at Mall area for the weekend. It is open seating, so you can rove to your heart's content! You can also book the K1 grandstand, which is covered, but does not permit Mall access. We only sell the K2 Hillside as part of a package.

The best value grandstand tickets in MotoGP; but we warned, it can get hot and humid - dress appropriately!
