

Pole Position Travel is a leading provider of VIP and corporate hospitality for MotoGP. We only do MotoGP events, and we have been a Dorna-authorized MotoGP VIP Village sales agency for years. We go to ALL events.

We are delighted to offer our valued VIP clients an early chance to book your VIP Village places. In 2008 most VIP Villages sold out, and for the 2009 season there has not been a significant increase in capacity. Apart from the new round at Hungary, we have attended all VIP units and can advise on all matters to ensure you have the best possible experience of the race (and we will be visiting Hungary in November!). We also offer deluxe/VIP accommodation and services including private guides, helicopter transfers, private functions at all 18 rounds. As always, we commit to placing one of our expert staff inside all VIP Villages.

All prices in EUR and include VAT and service charges. Delivery by courier or local collection.
